

Appl. No. : 10/520,639
Filed : September 2, 2005

AMENDMENTS TO THE SPECIFICATION

On page 1, after the title of the application and before the first paragraph, please insert the following:

BACKGROUND OF THE INVENTION

Field of the Invention

On page 1, between the first and second paragraphs, please insert the following:

SUMMARY OF THE INVENTION

On page 1, between the third and fourth paragraphs, please insert the following:

BRIEF DESCRIPTION OF THE DRAWINGS

On page 2, after the descriptions of Figures 14-17 and before the first full paragraph, please insert the following:

DETAILED DESCRIPTION OF THE PREFERRED EMBODIMENT

On page 10, please replace the Abstract with the following:

A mobile draining station for motor vehicles is disclosed, comprising a container (1) whose side wall and upper wall can be lifted up and in which carrier arms (6) for receiving a vehicle are arranged in a stationary manner;—pivoting arms (13) for removal devices are pivotably connected to the rear wall (7) of the container; and at least one door element (8) which is embodied in the rear wall (7) and which can be folded downwards in order to extend the base of the container. Collectors (10) are positioned in the container in the region in front of the door element. Said The collectors can move through the door opening onto the folded-down door element.
